

Strategy – Events

Establish and support a global competitive structure

| Strategy | Activities |
|---|---|
| Review national, regional, international competitive structure. | Review existing tournaments, players and categories played and establish needs. |
| Align 10, 12, 14&U national competitions. | Follow ITF Circuits structure review. NA-driven process, assisted by ITF. |
| Strengthen regional-international circuits and team competitions. | Promote use of Red, Orange and Green balls and courts. Ensure that best players compete in top events regularly. Strengthen regional rankings & optimise calendar. Delegate administrative responsibility to Regional Associations |
