

Strategy – Facilities

Support development of a global facility infrastructure

Strategy	Activities
Review existing facility infrastructure.	Collaborate with NAs and RAs to determine existing infrastructures and establish needs.
Establish NTC and RTC network.	Establish needs for NTCs and RTCs. Include private academies. Review funding guidelines and facilities grant allocation criteria.
Enhance role of NTCs and RTCs in development of players and coaches.	Establish network of facilities for players from developing nations. Provide pathways for players 18+ including the NCAA
