Hot Shots packs may be provided to Member Nations in addition to a grant. Please indicate on the application form if you would like to request this pack. Play packs will be provided to Member Nations for use in schools once the program within schools has identified a start date. These packs are to sustain play within schools, either on an intra-school basis or for inter-school use.

Member Nations should ensure they read the information in this document carefully, complete all of the application form and indicate whether they require a Hot Shots start up pack.
